*(a joint stock limited company incorporated in the People's Republic of China)*

**(Stock Code: 8106)**

**ANNOUNCEMENT OF INTERIM RESULTS  
(FOR THE SIX MONTHS ENDED 30 JUNE 2015)**

**CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK  
EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")**

**GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.**

**Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.**

*Hong Kong Exchanges and Clearing Limited and the Stock Exchange take no responsibility for the contents of this announcement, make no representation as to its accuracy or completeness and expressly disclaim any liability whatsoever for any loss howsoever arising from or in reliance upon the whole or any part of the contents of this announcement.*

*This announcement, for which the directors of Zheda Lande Scitech Limited\* collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on GEM for the purpose of giving information with regard to Zheda Lande Scitech Limited\*. The directors of Zheda Lande Scitech Limited\*, having made all reasonable enquiries, confirm that to the best of their knowledge and belief: (i) the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive; and (ii) there are no other matters the omission of which would make any statement herein or this announcement misleading.*

## MANAGEMENT DISCUSSION AND ANALYSIS

### OPERATION REVIEW

#### 1. Review of operating results for the period

For the six months ended 30 June 2015, the unaudited turnover of the Group is approximately RMB20,458,000, representing a decrease of approximately RMB2,911,000, or approximately 12.46%, as compared with that of the same period in 2014. For the three months ended 30 June 2015, the unaudited turnover of the Group is approximately RMB11,420,000, representing a decrease of approximately RMB392,000, or approximately 3.32%, as compared with that of the same period in 2014.

The unaudited net loss of the Group for the six months and the three months ended 30 June 2015 is approximately RMB2,999,000 and RMB747,000, respectively. The unaudited net loss of the Group for the six months and the three months ended 30 June 2014 is approximately RMB2,214,000 and RMB668,000, respectively.

The decline in the results of the Group for the reporting period was mainly attributable to a decrease in turnover and gross profit of the Group as a result of the continuous deterioration of the operating environment and intensified market competition in all business segments.

#### 2. Product research and development

During the period, the Group mainly focused on improving the extended functions and experience of existing products. New functions are added to products such as mobile phone music and PCA to satisfy the diverse needs of users.

#### 3. Market and business development

The Group's existing business revenue gradually dropped due to keen market competition. Existing businesses of the Group include China Telecom's 114 Bai Shi Tong Alliance, missed call alert, mobile phone music, SMS business cards, PCA, map business cards, 114 business information, industry and commerce information platform and zhe zhe wang website. During the period, the Group continued to implement the development strategy of mobile Internet and integrated e-commerce and discount information services. The Group is also making efforts to stabilize existing business and search for new market opportunities at the same time, striving for the introduction of industrial application under the Internet+ environment.

#### 4. Investment and cooperation

During the period, the Group continued to maintain close cooperation relationship with operators such as China Mobile, China Unicom and China Telecom and continued to cooperate with research institutions like Zhejiang University on joint research and development projects.

## **5. Employees information**

As at 30 June 2015, the Group had approximately 48 (2014: 91) employees in total. The total staff costs of the Group for the reporting period amounted to approximately RMB3,698,000 (2014: RMB3,664,000).

The Group's human resources management strategy is formulated in accordance with the Group's guidelines of development strategy on one hand and with requirements under long term vision planning as its target direction on the other. At the same time, incentive scheme will be embedded in other human resources programs and flourishing result is expected from this cross match. The Group opened wide for recruitment channels, set up mechanisms for attracting human resources, grasped for human development and formulated a good system in people deployment and incubation. The Group implemented an annual income target system which was linked up with staff performance appraisal and compensation system. Target annual income was confirmed and released in accordance with performance appraisal result. After a total assessment on employee's job performance, capability and work attitude, an integrated evaluation could be established for the employee which would be used as referencing standard. Through the integration of the two systems, the employees were effectively motivated and the attainment of the Group's target was assured.

The Group did envisage on employee's personal development and provided employees with training courses on quality and skills. Training plan was given to suit individual staff so as to help each one more compatible with the Company's job requirement and ensured comprehensive development during his career life.

The Group did not issue any share options nor had any bonus plan.

## FINANCIAL REVIEW

- The Group has maintained sound financial conditions. For the six months ended 30 June 2015, the Group was mainly financed by funds generated from daily operations.

## CONTINGENT LIABILITY

Hangzhou Huaguang Computer Engineering Co., Ltd.\* (杭州華光計算機工程有限公司) (“**Hangzhou Huaguang**”), a wholly-owned subsidiary of the Company, was involved in an arbitration application (the “**Arbitration Application**”) filed by Ningbo Zhongke Guotai Information Technology Co., Ltd.\* (寧波中科國泰信息技術有限公司) (“**Ningbo Zhongke**”) in relation to the dispute arising from the sales and purchase contract entered into between Hangzhou Huaguang and Ningbo Zhongke. According to the Arbitration Application, Ningbo Zhongke required, among others, that Hangzhou Huaguang to refund the equipment payment and interests amounted to approximately RMB5,899,000 and settle the arbitration fees. As at 30 June 2015, bank balance of approximately RMB1,775,000 was frozen by Hangzhou Arbitration Commission in relation to the Arbitration Application. Details of the Arbitration Application are set out in the announcement of the Company dated 29 November 2013. Up to the date of this announcement, the arbitration is still in progress.

## CAPITAL STRUCTURE

On 22 January 2014, the Company entered into a placing agreement with a placing agent, pursuant to which the placing agent agreed to place, during the placing period, on a best effort basis, the placing shares comprising up to 150,000,000 new H shares at the placing price, on behalf of the Company to the placees who will be independent third parties. The placing has been approved by the shareholders of the Company in their extraordinary general meeting and class meetings held on 25 April 2014 and then the China Securities Regulatory Commission (中國證券監督管理委員會). Subsequently, the long stop date of the original placing agreement was extended to 24 April 2015 by two supplemental agreements (together with the original placing agreement, the “**Placing Agreements**”). However, the Company was informed by the placing agent that potential placees could not be located and the placing has not been successful on or before 24 April 2015. Accordingly, the Placing Agreements have lapsed and the placing will not proceed. Details of the lapse of the Placing Agreements are set out in the announcement of the Company dated 24 April 2015.

## FUTURE PROSPECTS

### 1. Order backlog/sales contracts

Currently, the Group is working closely with operators in respect of value-added service business. Products and business contracts including China Telecom’s 114 Bai Shi Tong Alliance, missed call alert, mobile phone music, SMS business cards, PCA, map business cards, 114 business information, industry and commerce information platform and zhe zhe wang website were being operated and implemented continuously. However, market competition and the Company’s insufficient capability in research and development led to a drop in revenue of various businesses. The Company is taking active measures to stabilize business revenue and develop new products.

## 2. Prospects for new business or new products

During the period, the Group formulated a product plan and increased technological input in order to actively develop its business under the Internet+ environment. The Company is currently building up talents and technical specialists of the industry and collecting data on the industry as preparation for the introduction of industrial application.
